

Unicoi Elementary Afterschool Enrichment Program 2021-22

We are excited to kick off the 2021-22 school year and the many challenges it may bring. Our plan is to begin the week of Labor Day, September 8th. Our primary goal in afterschool is to provide academic assistance and enrichment to as many students as we can. However, due to COVID-19 mandates daily operations will be different than in years past. Please understand as with the past several months this situation is extremely fluid and will most likely change several times during the school year.

While on campus, daily operations will be based on the current Governor's orders, Tennessee Department of Education, Public Health Framework for Opening, and Unicoi County School's Guidelines. While online, our plan is to offer academic assistance, educational enrichment, and fun via the Zoom platform. We will provide an online guideline that will be outlined in a code of conduct to be released prior to sessions beginning.

There will be an application (and handbook) to complete **before your student can attend** the Unicoi County Afterschool Enrichment Program in person or online. If you have any questions, please contact Caitlin Haun (Ms. Caitlin) at (423) 560-0691 or UESAfterschool@utk.edu.

We look forward to seeing your student in Afterschool.

Please note, as everything is fluid right now, changes in guideline may occur any moment. We will keep you informed as we receive information. Be sure to follow us on Facebook <https://www.facebook.com/uesafterschool/> or visit our website <http://afterschool.tennessee.edu/program/ues/>.
